Coraline :30

From the director of *The Nightmare Before Christmas* comes *Coraline*. Now on DVD and Blu-ray™ Hi-Def -- both include the visually stunning 3-D version of the film and 4 pairs of 3-D glasses.

Coraline Jones finds a secret door that leads her into a world that's just like her own... but better! But when this fantastical adventure turns dangerous and her "other" Mother tries to keep her forever, Coraline must count on her bravery to get home. Leonard Maltin of *Entertainment Tonight* calls it "The best 3-D movie I've ever seen!"

Own *Coraline* on DVD and Blu-ray™ Hi-Def. Only from Universal Studios Home Entertainment. Rated PG.
