

FRIDAY THE 13TH (2009) RADIO SCRIPTS

:60 Second Spot

Make a date with terror: The all-new extended "Killer Cut" of *Friday the 13th* comes to DVD and Blu-ray – each with a digital download copy and great bonus features. From the creators of 2003's *The Texas Chainsaw Massacre* comes this bold re-imagining of the all-time classic slasher movie. It's cutting-edge horror for today's fan, with stars that include Jared Padalecki of *Supernatural* and Amanda Righetti of *The Mentalist*. Plan now to return to Crystal Lake and the new *Friday the 13th* and experience a summer vacation to die for. Enter Jason's den of torture and fear, see him discover the mask that hides his deformed face, experience a whole new level of fright, and try to remain calm. The horrific new *Friday the 13th*: on DVD and Blu-ray June 16. Rated R for Strong Bloody Violence, Some Graphic Sexual Content, Language and Drug Material.
